

# Call for Sponsors

**7<sup>th</sup> International Conference**

**On**

**Computational Intelligence in Pattern Recognition, 2025  
(CIPR 2025)**

We invite esteemed organizations to become the sponsors of the upcoming International Conference on Computational Intelligence in Pattern Recognition, 2025 (CIPR 2025), scheduled for January 10-11, 2025 at Indian Institute of Engineering Science and Technology (IIST), Shibpur, West Bengal. This prestigious event will gather leading experts, researchers, and professionals from around the globe to explore cutting-edge developments and innovative solutions in all the areas of related disciplines of Pattern Recognition. Other than the main allied domain of pattern recognition, this conference aims to provide rapid dissemination of important results in soft computing, data mining problems, rough set and fuzzy set theory, evolutionary computations, neural science and neural network systems, image processing, combinatorial pattern matching, social network analysis, audio and video data analysis, data mining in a dynamic environment, bioinformatics, hybrid computing, big data analytics, internet of things, deep learning etc..

The sponsoring organizations will gain unparalleled exposure and networking opportunities, connecting with key decision-makers and influencers in the field. The support from the sponsoring organizations will also contribute to the success of the conference and the advancement of knowledge in research.

Various sponsorship packages are available, offering customizable benefits tailored to meet the organization's objectives and budget. Benefits may include logo placement, complimentary registrations, and more.

Join us in shaping the future of Computational Intelligence in Pattern Recognition and showcasing your organization's commitment to excellence. For more information on sponsorship opportunities, please contact Dr. Malay Kule at *+919674614243* or *malay.kule@gmail.com*.

We look forward to welcoming you as a valued sponsor of the 7<sup>th</sup> International Conference on Computational Intelligence in Pattern Recognition, 2025 (CIPR 2025).

Sincerely,

Dr. Malay Kule  
Jt. Organizing Chair  
CIPR 2025
